

WELCOME TO NOTRE DAME INTERNATIONAL HIGH SCHOOL

Academic Year 2025-26

Dear Students,

As the summer period starts, we look forward to welcoming all students to Notre Dame International High School (NDIHS) for the 2025-26 academic year. We extend a welcome to both returning students and those joining our institution for the first time.

Enrollment at NDIHS represents a significant decision that will contribute to your educational development and personal growth. The upcoming school year will present new challenges and opportunities designed to enhance your learning experience.

The mission of NDIHS is to prepare students for success in the global community by providing the necessary tools for lifelong learning. We aim to foster the development of critical thinking and communication skills through inquiry and collaboration, while emphasizing personal and social responsibility. Students are encouraged to cultivate compassion, respect for diverse cultures, environmental sustainability, appreciation for different perspectives, and to contribute to a harmonious world built on intercultural understanding.

Participation in our learning community involves active engagement within a diverse student body, representing nearly twenty nationalities. This environment provides an opportunity to interact with individuals from various cultural backgrounds, facilitating the discovery of common interests and concerns, and bridging differences in backgrounds and experiences. Students are encouraged to utilize this time to learn from one another and establish meaningful connections.

In preparation for September, we encourage you to consider the qualities that define an NDIHS student, as outlined in our Student Profile:

- **Compassionate & Kind:** Demonstrating empathy and care towards others, seeking to make a positive impact.
- **Critical & Creative Thinkers:** Engaging in independent thought, exploring diverse perspectives, and employing reasoning and imagination for problem-solving.
- **Autonomous & Responsible:** Assuming responsibility for actions and learning, and managing time and tasks effectively.

- **Conscientious & Committed:** Approaching work with perseverance and attention to detail, and dedicating effort to achieving goals.
- **Respectful of Self, Others & Environment:** Valuing oneself, others, and the surrounding world, acting with respect and fairness.
- **Curious & Open-Minded:** Exploring new ideas, embracing different perspectives, and welcoming diversity.
- **Reflective & Self-Aware:** Engaging in careful consideration of actions and learning, and recognizing areas for development.
- **Integrity-Driven:** Acting with honesty, taking responsibility for actions, and upholding academic integrity.
- **Humble & Grateful:** Acknowledging limitations, admitting errors, and appreciating opportunities for growth.

These attributes serve as foundational principles within our community, guiding collective development.

We anticipate your arrival in September for the commencement of the academic year.

Sincerely,

Emilie CHAMPEIX

Headmistress of Notre Dame International High School
